

IDA/IES Model Lighting Ordinance (MLO) Public Comment Form

For Immediate Release: February 9, 2009

The IDA/IES Model Lighting Ordinance public comment period will be open until Friday, April 10, 2009. Anyone can comment, regardless of IDA or IES membership. IDA will post all comments anonymously, and if necessary an IDA/IES response to the comment, on the IDA Web site www.darksky.org. If changes are made a second public comment period of 30 days will be conducted.

Instructions for Review – In order to ensure accuracy in the reporting of public comments each individual is limited to one comment submission form. However, that submission form may be up to a maximum length of ten (10) pages, typed. If the commenter requires additional pages, a request for a variance from this limit may be submitted to ida@darksky.org. All comments must be typed and word processed. Electronic submissions in .pdf, .doc, .docx, .rtf are preferred.

The comments posted on the Web will remain anonymous but in order to reduce duplicate submissions, each commenter is required to fill in all fields on this form.

****If any field is missing, the comment will be considered *invalid* and will not be considered in the final review.****

Submissions should be made to:

ida@darksky.org with the subject line: MLO Public Comment Submission

Fax: +1 520.293.3192

The public comment form can be downloaded [here](#).
